A possibility: In the future, I would like to implement a "well" system where you would be able to press And you would be able to clear the well for the zone you press, without being able to clear the well for other zones. Then, as an example, I would add a way of clearing the 2 zones in the end region. I will show later how to do it. This will give them something to do. The added value of this would be: -More gameplay (enemies and quests) -Top-down map with
